Title: Loading an ePub onto Kindle

Updated: 10/3/2025

Article:

Instructions on how to upload an ePub file to Kindle vary depending on the device you are using. Luckily, detailed instructions for most devices can be found at

<https://www.amazon.com/sendtokindle>.

Be sure to look at the options on the right side of the screen to pick your device. Then Amazon will provide step-by-step instructions on uploading the ePub to Kindle.
